MEMORANDUM OPINION

v.

VIRGINIA PENINSULA REGIONAL
JAIL,
Defendant(s),

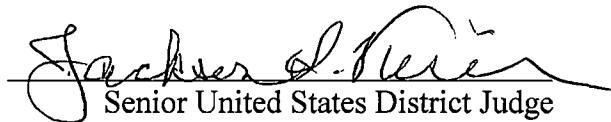

By: Jackson L. Kiser
Senior United States District Judge

Plaintiff, proceeding pro se, filed a civil rights complaint, pursuant to 42 U.S.C. §1983. By Order entered November 21, 2018, the court directed plaintiff to submit within 20 days from the date of the Order an inmate account form, and a certified copy of plaintiff's trust fund account statement for the six-month period immediately preceding the filing of the complaint, obtained from the appropriate prison official of each prison at which plaintiff is or was confined during that six-month period. On December 31, 2018, the plaintiff submitted an incomplete inmate trust fund account statement which did not include the required six-month statements. On December 31, 2018 the court gave plaintiff one last opportunity to submit the required inmate account information. On January 30, 2019, plaintiff filed a letter which the court construed as a motion for extension of time allowing the plaintiff time to submit the required inmate account information. Plaintiff was advised that a failure to comply would result in dismissal of this action without prejudice.

More than 20 days have elapsed, and plaintiff has failed to comply with the described conditions. Accordingly, the court dismisses the action without prejudice and strikes the case from the active docket of the court. Plaintiff may refile the claims in a separate action once plaintiff is prepared to comply with the noted conditions.

The Clerk is directed to send a copy of this Memorandum Opinion and accompanying
Order to plaintiff.

ENTER: This 7th day of March, 2019.
